Figure 1: Swap meet parking lot mockup.

Swap meet guidelines.

Set-up begins: 8:00 am. Please **do not** arrive earlier than this time as TECO staff will be preparing the site for you.

You may bring canopies, tables, and chairs; however, you must **only** occupy the space that you have registered for- and that has been assigned to you.

Canopies must be tied down with weights. You should assume that wind gusts will occur. It is recommended that canopies have at least 24 pounds per leg. One canopy manufacturer recommends at least 40 pounds on each corner of a 10 x 10 tent; double that on a 10x20 tent. 50 pounds of weight should be used for umbrellas.

To comply with current Colorado SARs-CoV2 regulations, the parking space buffer zones are for everyone's safety and protection. Please do not encroach beyond your assigned sales space.

Show Time is from 10:00 am to 2:00 pm. Unless you have sold-out of merchandise, please **do not** begin closing until 2:00 pm. Egress from the swap meet area during swap hours is extremely dangerous to guests, vendors, and TECO staff.

The alternate snow date is the following weekend on May 29, 2021.
